The 1964 "Tartan" Staff feels that Walnut Ridge will, as time goes on, achieve more and more true school spirit and we have attempted to show here the SPIRIT of WALNUT RIDGE.

Spirit of Participation

The spirit of participation carries the student through his high school life. Participation is the key to gaining the full benefits from high school. There are various ways to participate. One can belong to clubs and take an active interest in the functions of that organization, or one can volunteer for various service jobs throughout the school, such as audio-visual aid or bookroom assisting. Another way to participate is to put something of one's self into each class. That is to be an active and integral member of each class.

Participation means many things to many people, but basically it involves giving a little time, energy, and interest to some facet of school life.

Mike
You're a swell guy at Walnut Ridge. Always remember the wild times we had in Mr. Brick's class. Best of luck to you this year in everything you attempt. Keep your friendly smile and always be a good Tiger.

Participation

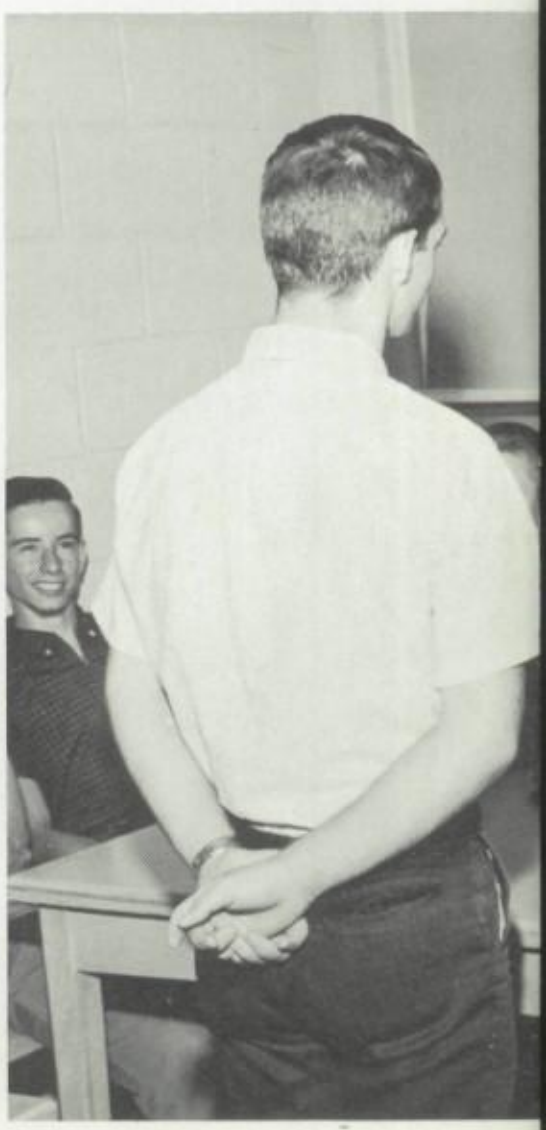
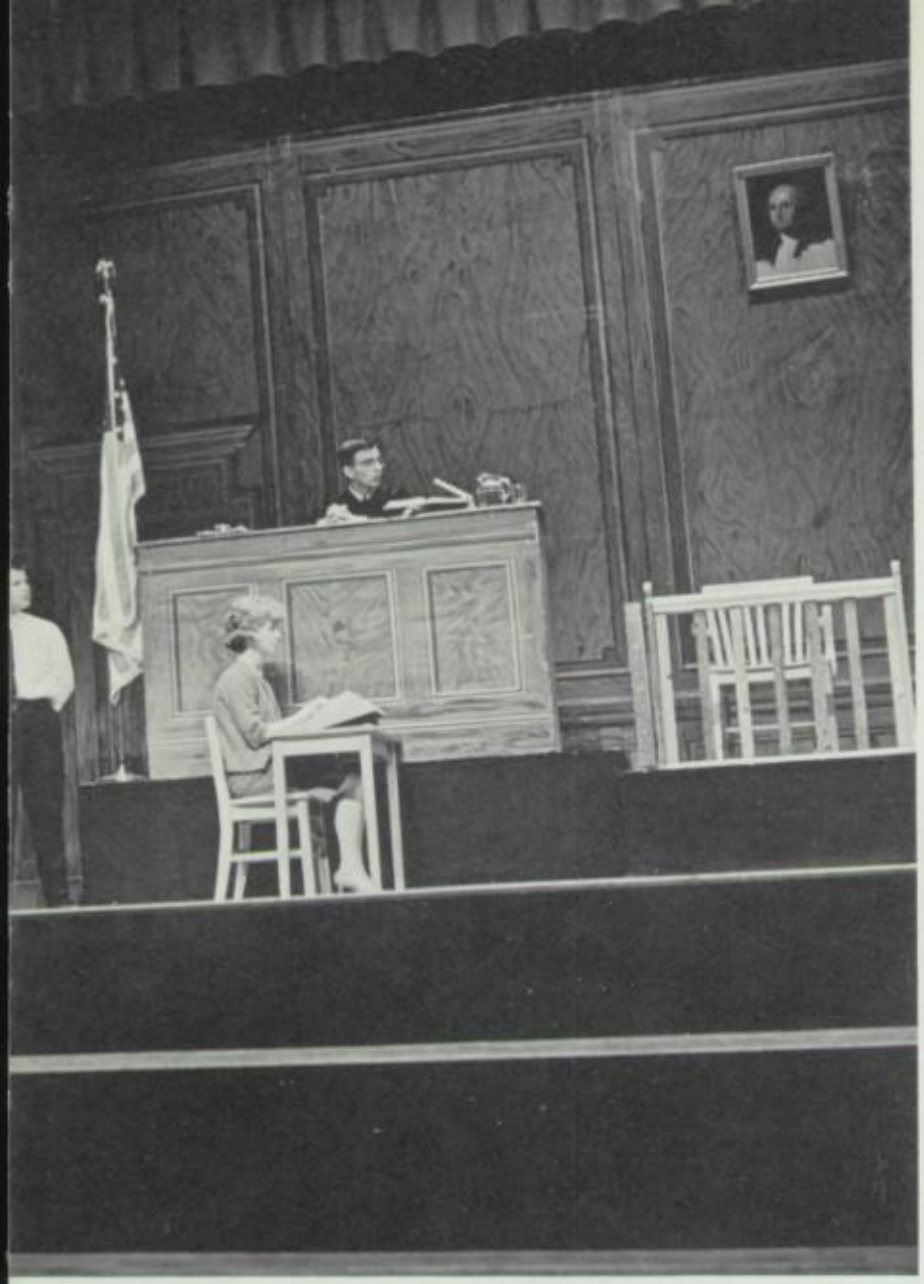
Spirit of Tradition

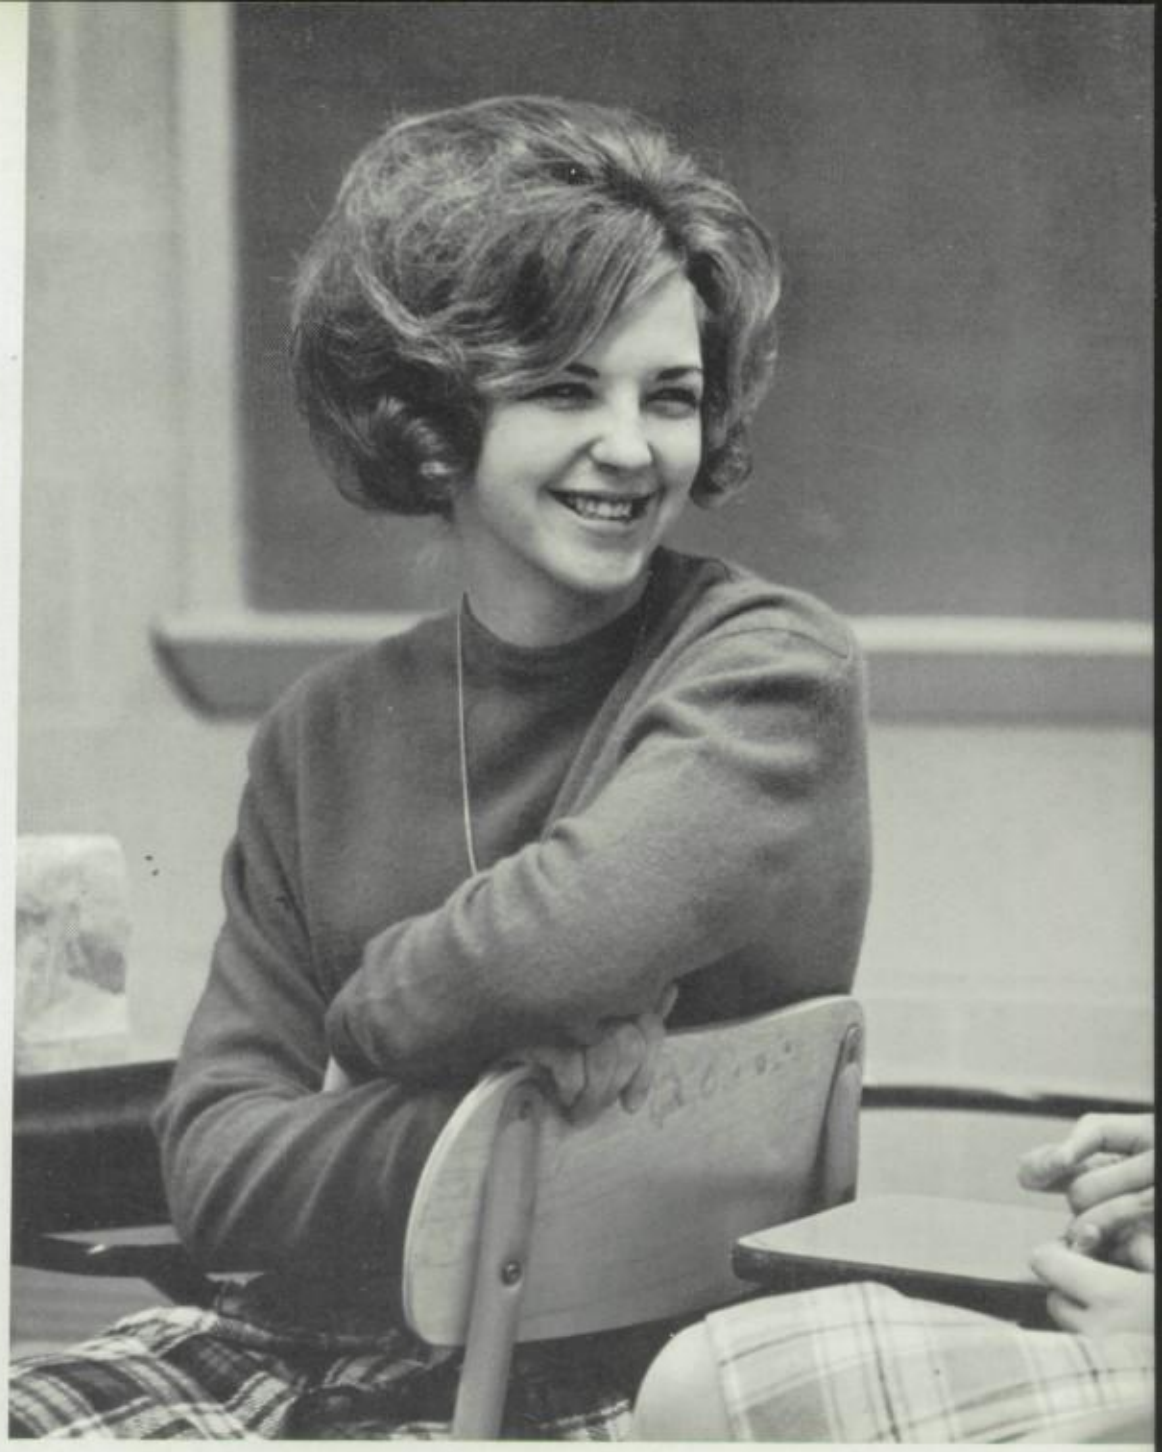
The spirit of tradition binds the school together. It gives the unity necessary in a good school. Tradition assumes many forms. It exists in the form of Student Council, Student Court, and various clubs. Tradition is also present at sports activities and student productions.

Tradition is developed slowly, but it remains throughout the life of the school. In essence, tradition makes a building a school.





Spirit
of
Friendship



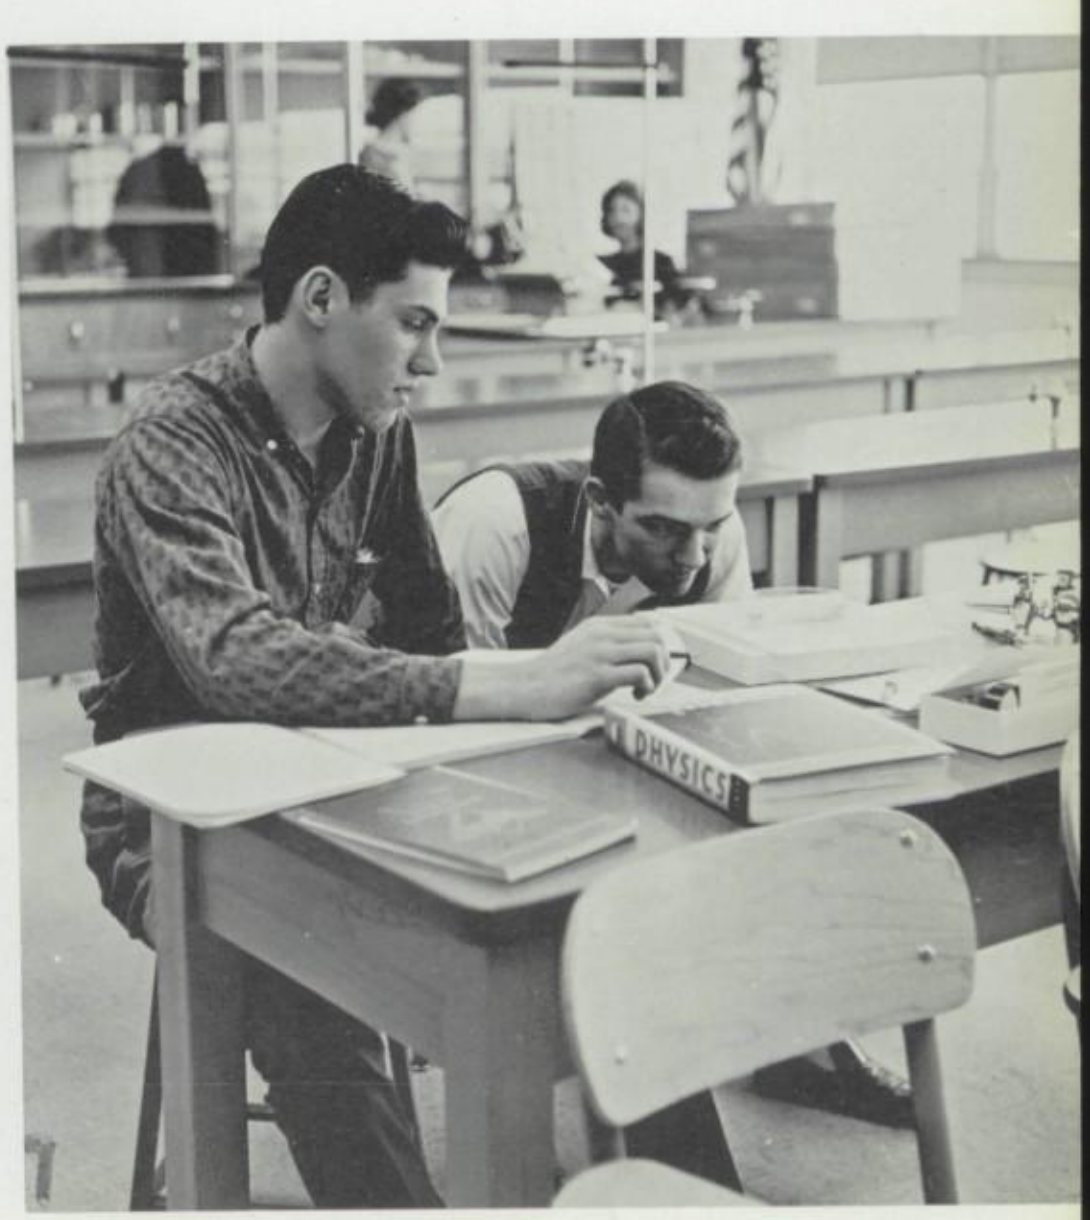
The spirit of friendship prevails throughout our high school years. This is the time in life when lasting friendships are made. Each day students meet and discuss events of the day. They also work hand in hand in classes on numerous group projects. Friendships are made over lunch, after school, or during any brief moment of unrestrained conversation.

Friendships are the happy part of the high school years. The spirit of friendship haunts the many years following the completion of school.

Spirit of Interest

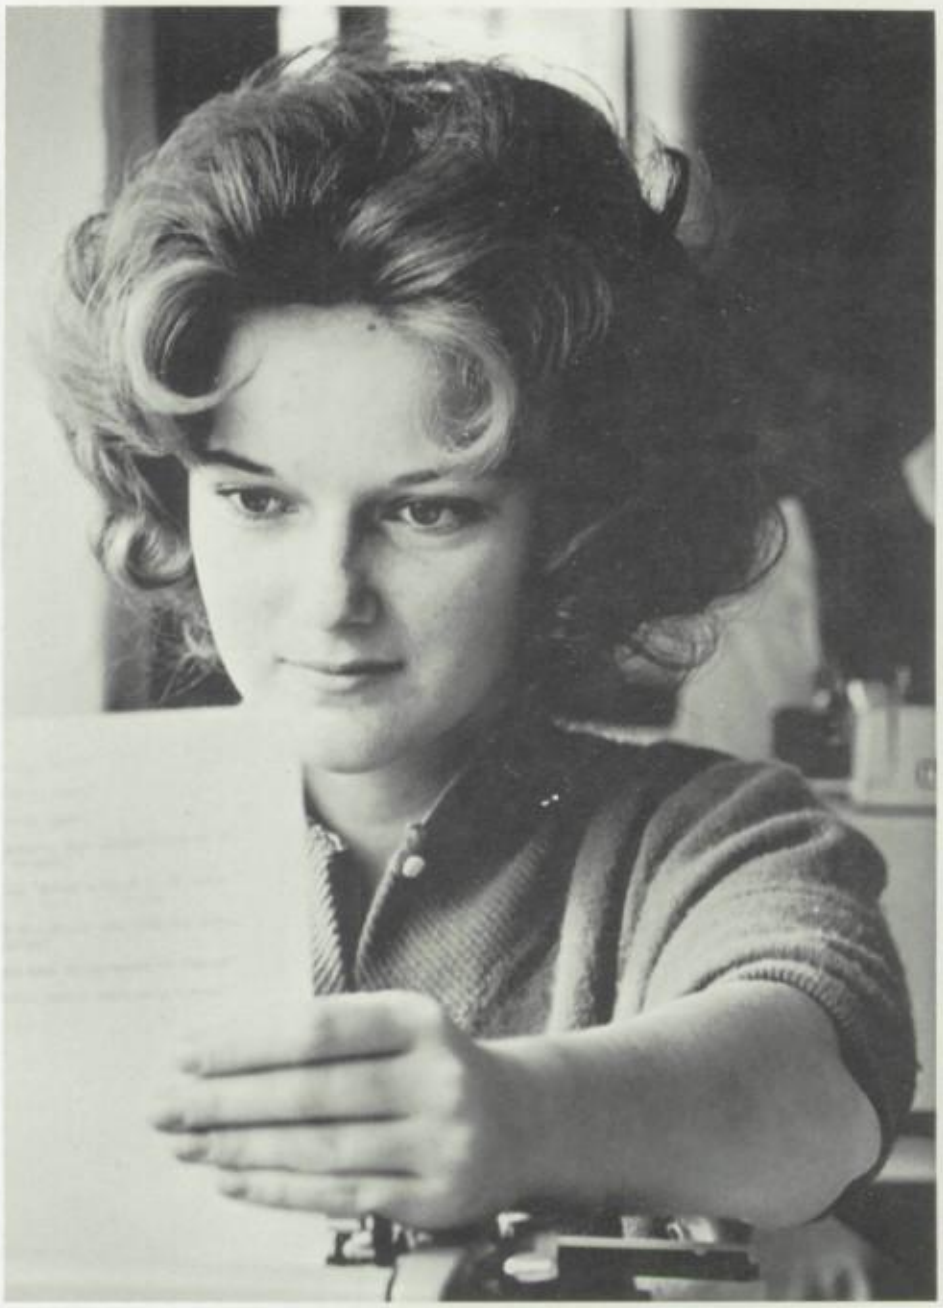
Interests are cultivated during the school years. Classes are refined to enable students to ascertain the area in which their interests lie and then decide on their vocational plans. The students interests may lie in science, linguistics, or the humanities. High school offers him the chance to have a taste of each.

The spirit of interest that gains its strength in high school remains throughout life.



PHYSICS

Spirit of Deliberation



Thoughts are sorted out and each considered separately during the course of an absorbing lecture. Each day students deliberated over various ideas and concepts presented to them. Some are automatically discarded while the remaining ones are questioned until the student relegates them to the back of his mind.

The spirit of deliberation is present in some form in each class throughout the day. Students are constantly considering and rejecting. The culmination of these efforts is the knowledge of the individual.

DON E. THATCHER, Principal.

Mrs. Davis, secretary, listens attentively to a caller in the midst of a busy day.

Spirit of Leadership

The administration is the lifeblood of the school. Through its direction the school day is able to run smoothly. The administration plans the schedules and handles all the myriad paperwork required in the functioning of a school. In addition to this extremely taxing and time consuming work, the administration plans assemblies and directs all extracurricular activities. In spite of the multitudinous duties on its shoulders, they are still ready with an amiable smile to help with a teacher or student problem within their domain. The office handles many services, duplicating test papers, handling all money, and keeping the students records up to date and in good order. Another important function is the distribution of the daily bulletin. Administration is the nerve center of the school.

Guidance

The Guidance department of Walnut Ridge is always willing to extend a helping hand to students who require professional advice or at least another point of view. Miss Robson and Mr. Thompson contribute many hours to the guidance of troubled or undecided students. They are available at nearly every hour of the school day to lend an ear and offer words of advice or encouragement.

A pensive moment belongs to Miss Robson, guidance counselor.

Mr. Thompson, guidance counselor, presents a pleasing smile to visiting students.

Maintenance

The custodians are the behind-the-scene men and women at Walnut Ridge. Their time and effort maintain the beauty of the surroundings. They are always at hand to lend assistance to teachers and students alike.

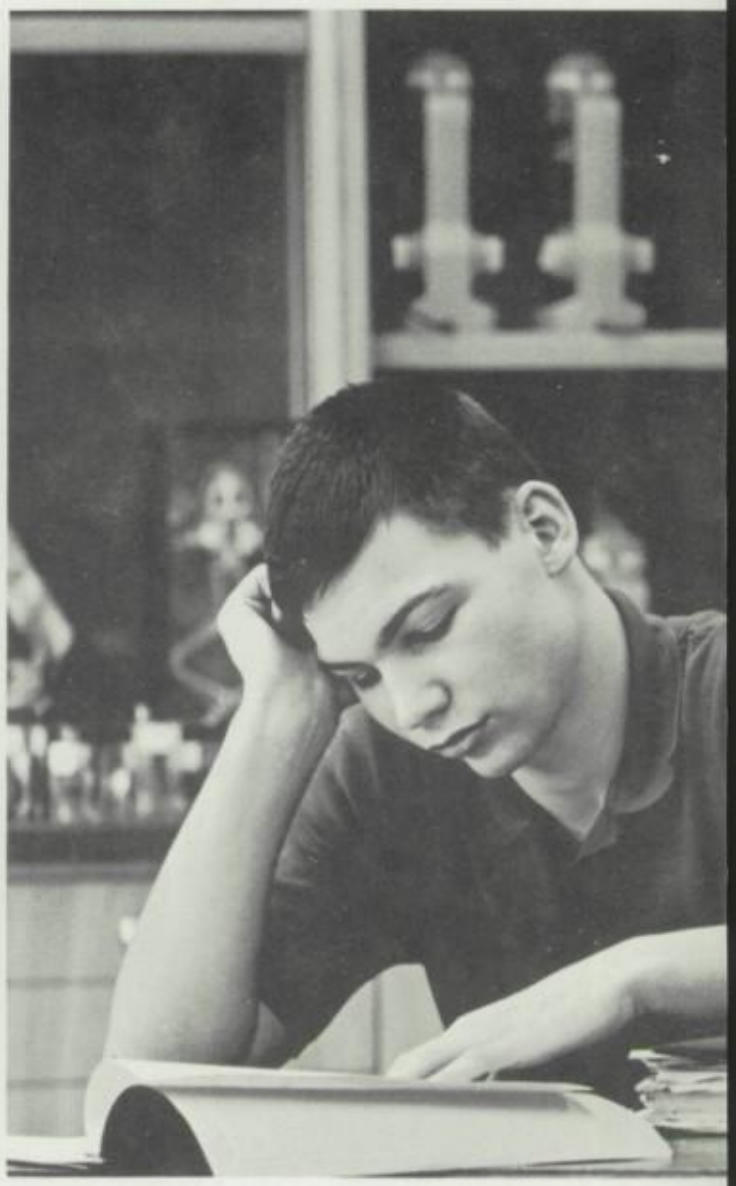
Head custodian, George Higgins makes minor repairs, to keep things running smoothly.

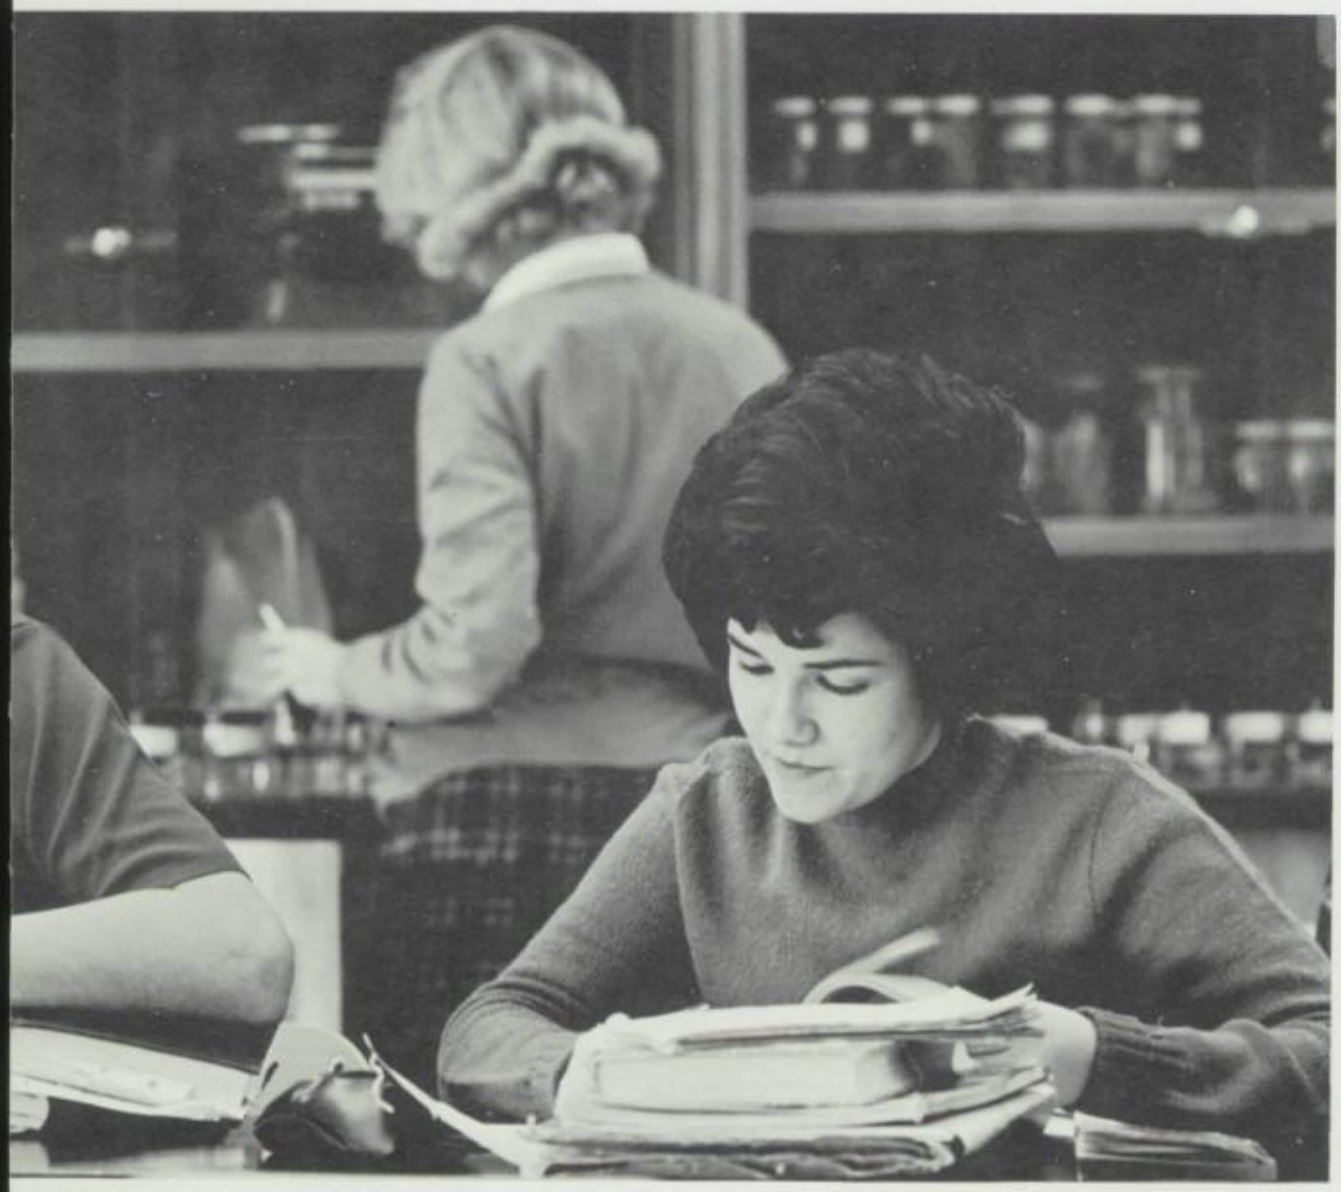
Wila Mae Robinson keeps Walnut Ridge dust free.

"Willie" Holland adds to the blazing fire of refuse.

Refuse resulting from the day's many activities is gathered for later disposal.

ACADEMICS





The academics side of school life has many facets. The academic subjects give students insight for their future goals.

Academics covers several areas including science, linguistics, mathematics, and the social sciences and the humanities. These areas prepare students for higher education and bring pleasure to students interested in certain fields of academic endeavor.

Academics gives lasting knowledge and rich educational rewards.

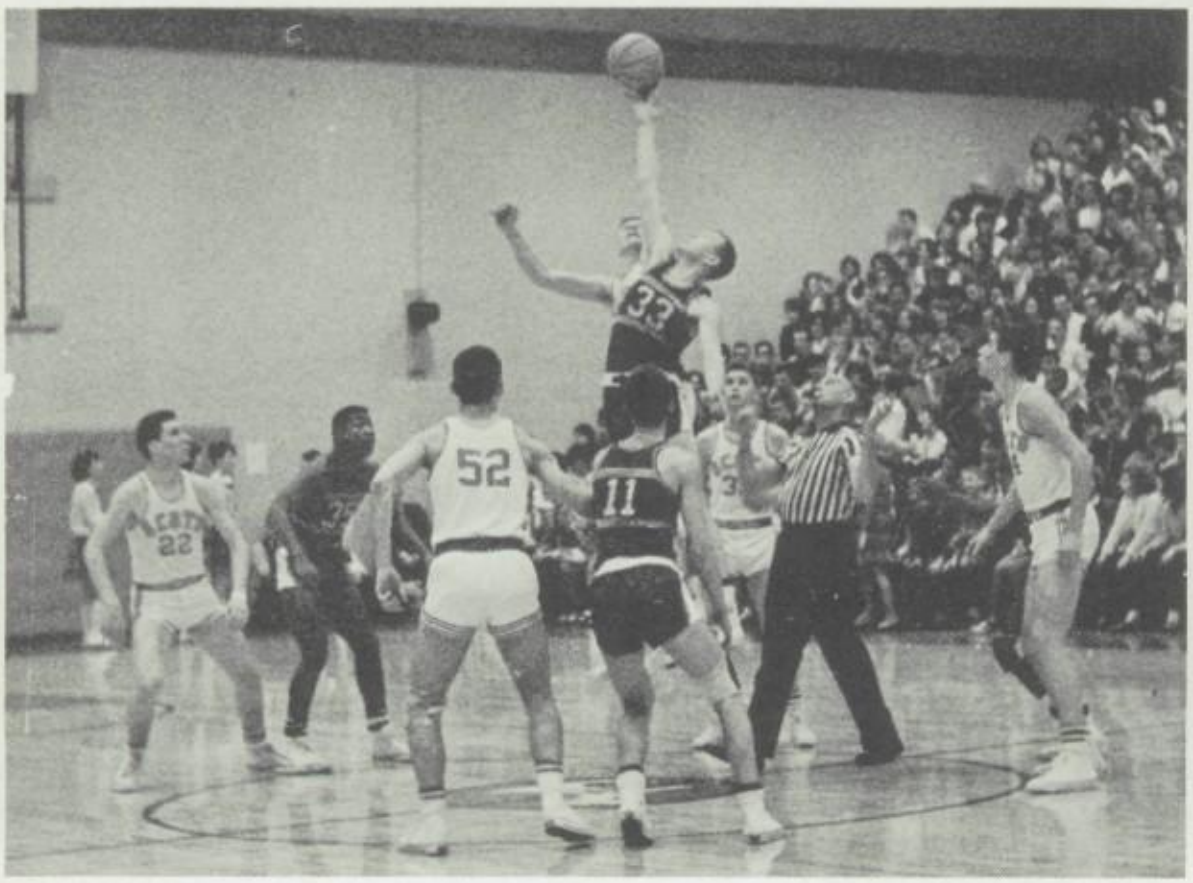
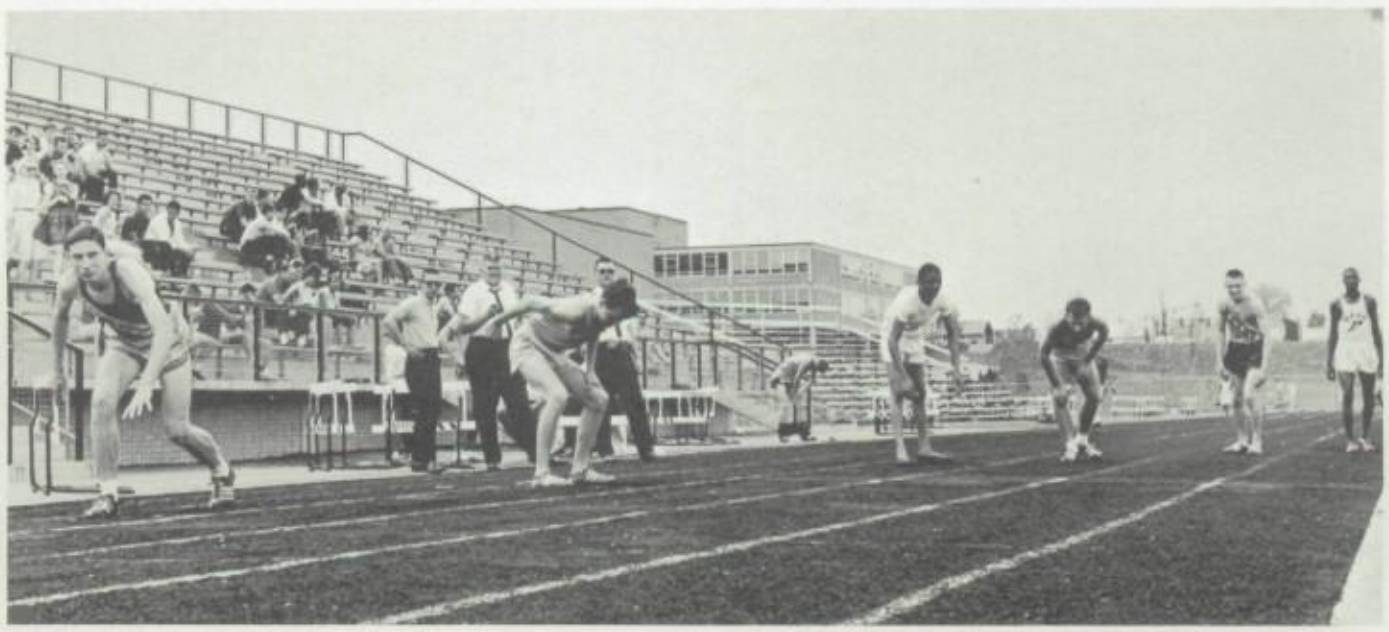
SPORTS





Our memories will never be forgotten in the 1963-64 sports season for the teams worked hard and were very successful. In the fall the football team battled all comers tooth and nail; while just a few hundred yards away, the Cross Country team nailed down an 8-1-1 record while finishing second in the city and third in the District.

Winter sports were very climactic since the Scots wrestling team won the city wrestling title. On the hardwood, the basketball team was less fortunate, but fought hard.

Spring sports flew into high gear as four sports were fighting spiritedly for the scarlet, gray, and white. The baseball team started the season like wild fire, but then hit a losing streak and broke even on the season. Track was fast and furious as the Scots individuals broke quite a few records, though the team was less fortunate. The golf squad completed their first year of city competition and a new sport opened in tennis with a full schedule.

The 1963-64 season ended with memories, but will be continued season after season as a new one starts.

Larry Baer is stopped by the South High Bulldog defense in one of the best Scot games of the year while Dave Walter looks on.

Football

Bill Masch is stopped after a small gain while Dave Feyh and Larry Baer look on.

The '63 football squad finished the season with a 2-6 league record and a 3-6 overall mark. Coach Webster, "remarked that the teams record had little indication of the season." The boys lost three games by a total of 15 points. The Scots were led by Senior fullback Dennis Day who was named to the All-City team and led the league in scoring with 72 points.

One bright spot in the season was the Walnut Ridge defeat of arch-rival Eastmoor 36-14 on the Warriors field. The Scots also received bad breaks as they led both City Co-Champ South and Central Ohio League Champ Newark in the final quarter but were defeated by four points and one point respectively. Injuries played a major factor in the Walnut Ridge play.

Besides Dennis Day being named on the All-City team there were six other Scots who received Honorable Mention. They were ends-Jim Pyles, John Roop and Don McKray; Guards Mike Wiebusch and Tom Coneybeer, and tackle Dave Walter

A football squad has to be guided through a season by thorough coaching. The Scots coaching staff was led by Head Coach Ralph Webster, assistant and backfield coach Jack Moore, end coach Rick Cermelj, line coach Don Wynkoop and Mr. everything Harry McKnight.

Scots Runner-Up In City Championship

A coach has a lot to do with the success of a team and Cross Country coach Harry McKnight has helped lead the Scots to two tremendous seasons as coach.

The Walnut Ridge Cross-Country team climaxed a great season with a runnersup finish in the City League meet, losing by only five points to Linden-McKinley. The boys then placed third in the District. Coach Harry McKnight's feelings were that "most of the boys ran all-out races in the City Meet, but one or two seconds was the difference between victory and defeat. Our boys were up for this meet though we were slight favorites over Linden and East."

The Ridge runners recorded an 8-1-1 mark for 1963. This record was good enough to tie for the best marks in City and District competition. The Harriers also went six straight meets without defeat to record the longest win streak in District competition.

Brothers Ken and Larry Schwartz led the Scots to victory most of the season. Ken was the team's leading runner and won the City two mile run with a record breaking time of 10:15.2 which established new City and School records. Larry was Captain of the team and helped lead the brother combination. In the City Championships Larry gave the Ridge team a one-two punch as he finished fifth with a 10:34.9 clocking. Combined with the brothers, Rick Mettle gave the team an unstopable attack. Rick rose to great heights in some meets. Deryck Barber, Jerry Lynn and Bob Wright fought for the fourth, fifth and sixth positions during the year. While Tom Wessel, Ken Evans, Steve Heavilin and Gary Britton were very instrumental as backup men.

The Schwartz brothers, Larry and Ken and Rick Mettle were the big three for the Ridge team in 1963. They gave the Scots an unbeatable combination in City and District competition.

Scots Place Third in District

The '63 Cross Country season has finished, but the runners from other teams still remember the Scots. They were known as a fierce and young C.C. power which has made a name for itself with a two year record of 15-1-4.

The Scots Varsity Cross Country Team was composed of, FIRST ROW: Gary Britton, Ken Schwartz, Jerry Lynn, Bob Wright, Steve Heavilin; SECOND ROW: Tom Wessel, Deryck Barber, Ken Evans, Rick Mettle, and Captain Larry Schwartz.

The roundball took some crazy bounces during the 1963-64 Basketball season; as Walnut Ridge compiled a 2-9 league record and 3-13 overall mark. The Scots were led in scoring by two transfer students, Senior Jim Grosshart and Junior Paul Leonard. Center Ken Evans improved greatly through the season. His 6'3" helped score valuable points and pull down many a rebound. Guard Jim Pyles was the ball handler for the Scots and his playmaking set up many easy shots for his teammates. One bright spot was in the aggressive play of Sophomore forward Pat Beveridge.

The Scots had a rough season according to the record, but gave many a team a fight for victory. Head Coach of the Ridge team was veteran Jack Moore who worked hard hours with the boys to place a polished ball club on the hardwood court every Friday night for the school to back.

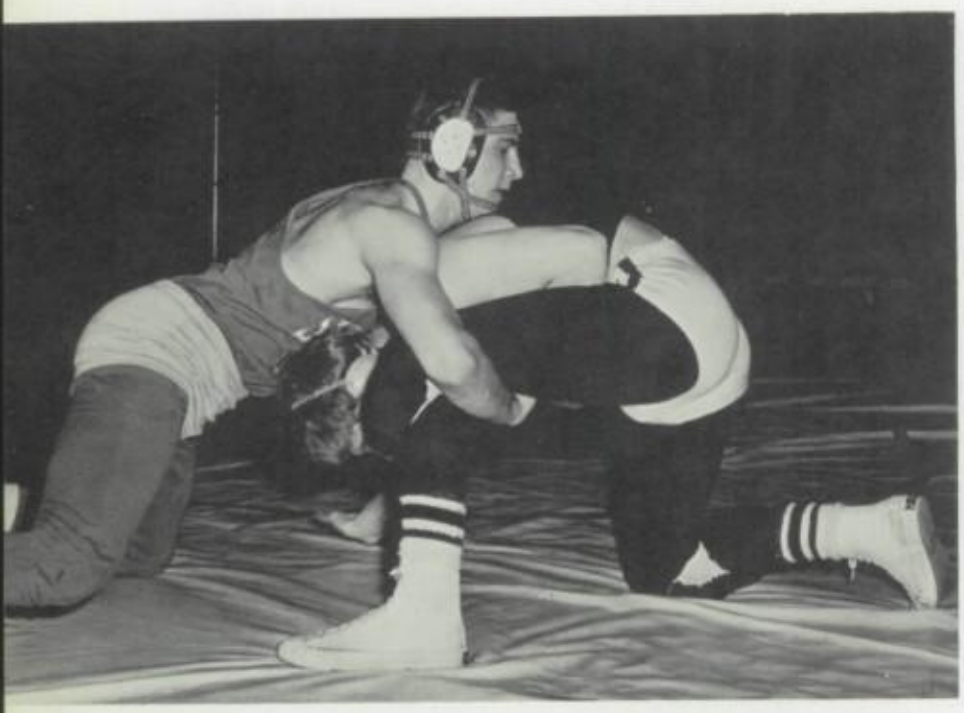
Grapplers Take City Title



Tim Hansley scores two points as he takes control of grappler from Whetstone.

The Walnut Ridge grapplers fought their way to a decisive victory in the Third Annual City League Wrestling Title.

The Scots collected a total of 78 points, and were followed by Eastmoor with 65, East 62, and Central 57 points. The rest of the teams were far back in the standings for the title.

In the finals Walnut Ridge came up with three City Champions in Jerry Lynn - 112 pds; Kerney Pinkston 133 pds.; John Roop - 154 who defended his City Title. The Scots had two runner ups in Jack Brown-165 pds. and Tim Hansley - 175 pds. There were two Scots who placed third: Tex Rife - 120 pds. and Steve - 127 pds. Dave Walter was the sole Walnut Ridge boy to place fourth in the Heavyweight division.

The Scots finished the season with an 11-1 mark, losing only to Eastmoor in their final meet 23-14. Kerney Pinkston, John Roop and Jerry Lynn finished their dual matches with unblemished records. Coach Ralph Webster's coaching should be credited with giving the team a very important road to victory.

Kerney Pinkston placed fourth in the 133 weight group in the state wrestling meet held at Ohio State's St. John's Arena. Kerney won his first two matches which put him in the semi-finals. He then was decisioned by the eventual champ, Cecil Sallee from Cleveland, John Marshall, and lost by default for third place to Jim Thompson from Valley Forge. Walnut Ridge's only other contestant was John Roop who lost in first round competition.

Individuals Set Records

Pole Vaulter Steve Roberts is shown clearing bar in dual meet.

Walnut Ridge under the guidance of first year coach Harry McKnight, finished the 1964 season with a 3-5 record. The Scots season was filled with many individuals who were standouts and who broke records.

The bright spot of the year was the Scots two-mile relay unit (Evans-L. Schwartz-K. Schwartz-Mettle) which won the 18th annual Hilltop Relay event and set the only new record in the meet. The record was 8:24.4 by East in 1955 and Walnut Ridge broke the mark by almost nine seconds with an 8:15.5 clocking. This time not only was the best time ever for a City League team in history, but it also eclipsed the District record of 8:16 by Worthington in 1962 at the Marion Relays.

The record was only one of three set by the two-mile relay team (L. Schwartz-Radcliffe-K. Schwartz-Mettle) which earlier set the Fair-Weather relay mark with a 8:32 time and later won the Riverside Relays (Barber-L. Schwartz-K. Schwartz-Mettle) while breaking the old mark set by West High, who had the same unit that set the mark back. The Scots time of 8:34.7 broke the old record by three seconds, while running away with the event. These victories gave the unit a 3-0 relay mark while defeating some 28 relay teams and placing three new records in the books. While compiling this mark Walnut Ridge's two-mile relay became one of the outstanding units in the state.

The Scots then qualified five boys in sectional competition to the District Championships. They were brothers Ken and Larry Schwartz in the mile, Mettle and Evans in the 880 and Barber in the 440. In the Districts the Scots placed seventh out of fifty-one teams. In the State meet competition was rough, but Ken Schwartz ran a 4:28.5 mile which just missed qualifing, but it gave him 13th place in the championships with another year of running left.

ORGANIZATIONS

The general atmosphere of High School is accentuated by the extra-curricular activities taken on by the students. Guides to these activities are absolutely meaningless without the enthusiasm and actual participation of organized individuals. Individuals gain a sense of accomplishment after contributing to the requisites of school through participation in the many clubs and service groups. The spirit of service to the community is stressed in organizations such as Y-Teens, Hi-Y, and Red Cross. The spirit of service to the school is shown in membership in the Pep Club, Varsity W, and Library Club. The spirit of self-improvement is the foundation of such groups as Social Dancing and Junior Miss. The spirit of leadership is displayed by members of Future Business Leaders of America and Future Teachers of America. The spirit of academic achievement and study is gained in the Honor Societies, the language clubs, art and dramatic clubs. For those who want to pursue a hobby, we have hobby clubs, radio and sky diving and athletic clubs. Yes, individuals gain a sense of accomplishment through their participation in extra-curricular activities.

STUDENT COUNCIL OFFICERS
President, Tim Hansley; Vice-President, Kathi Westover; Secretary, Diane Baxter; Treasurer, Mary Jane Goldthwaite, and Parlimentarian, Chris Geer.

This year the Student Council has sponsored many activities to foster school spirit. In the spirit of fun and sociability, Student Council members planned the field activities and dance for Homecoming and the Football Fantasy.

The spirit of service to the students extended through the meetings on school policy to the sponsoring of the Citizen of the Month, Dress-up Days and a monthly bake sale.

This year the Council exchanged friendship with a school in Scotland. The exchange included a letter of introduction, and a recording telling us about the school, Alloa Academy. In return Walnut Ridge sent Alloa a letter describing our school and life here, a yearbook, a handbook, and a newspaper.

The School Spirit Committee was inaugurated to arouse the enthusiasm of the student body. The Lad and Lassie contest, a part of the "Springtime in Scotland"dance was instigated and carried out by this group.

Hall monitors are selected and provided by the Student Council. The spring locker clean-up was also started by the group. Money was added to their treasury when students went out on carwash jobs this spring.

Doug Chalfont and Barb Tracy are named Lad and Lassie for 1964.

Yvonne Saurin helps the student council at one of their numerous bake sales.

NATIONAL HONOR SOCIETY

BACK ROW: Quentin Carpenter, Mary Endicott, Ken Evans, Chris Lindenberg, Tom Coneybeer, Marcia Rountree, James Seitz. FRONT ROW: Elsa McCracken, Mike Newell, Joy Crook, Lester Courtney, Linda Ranft.

To be a member of the National Honor Society is a great honor and responsibility. Students must excell in leadership, citizenship, character, and service to qualify for membership in the Society.

Leadership is not only shown through their high scholastic standing, but through active participation in extra-curricular activities. Most of the members have been an officer in one or more clubs.

The spirit of citizenship is displayed in their actions in the classroom, in the halls, and at school functions. A good citizen lives up to the rules of the school.

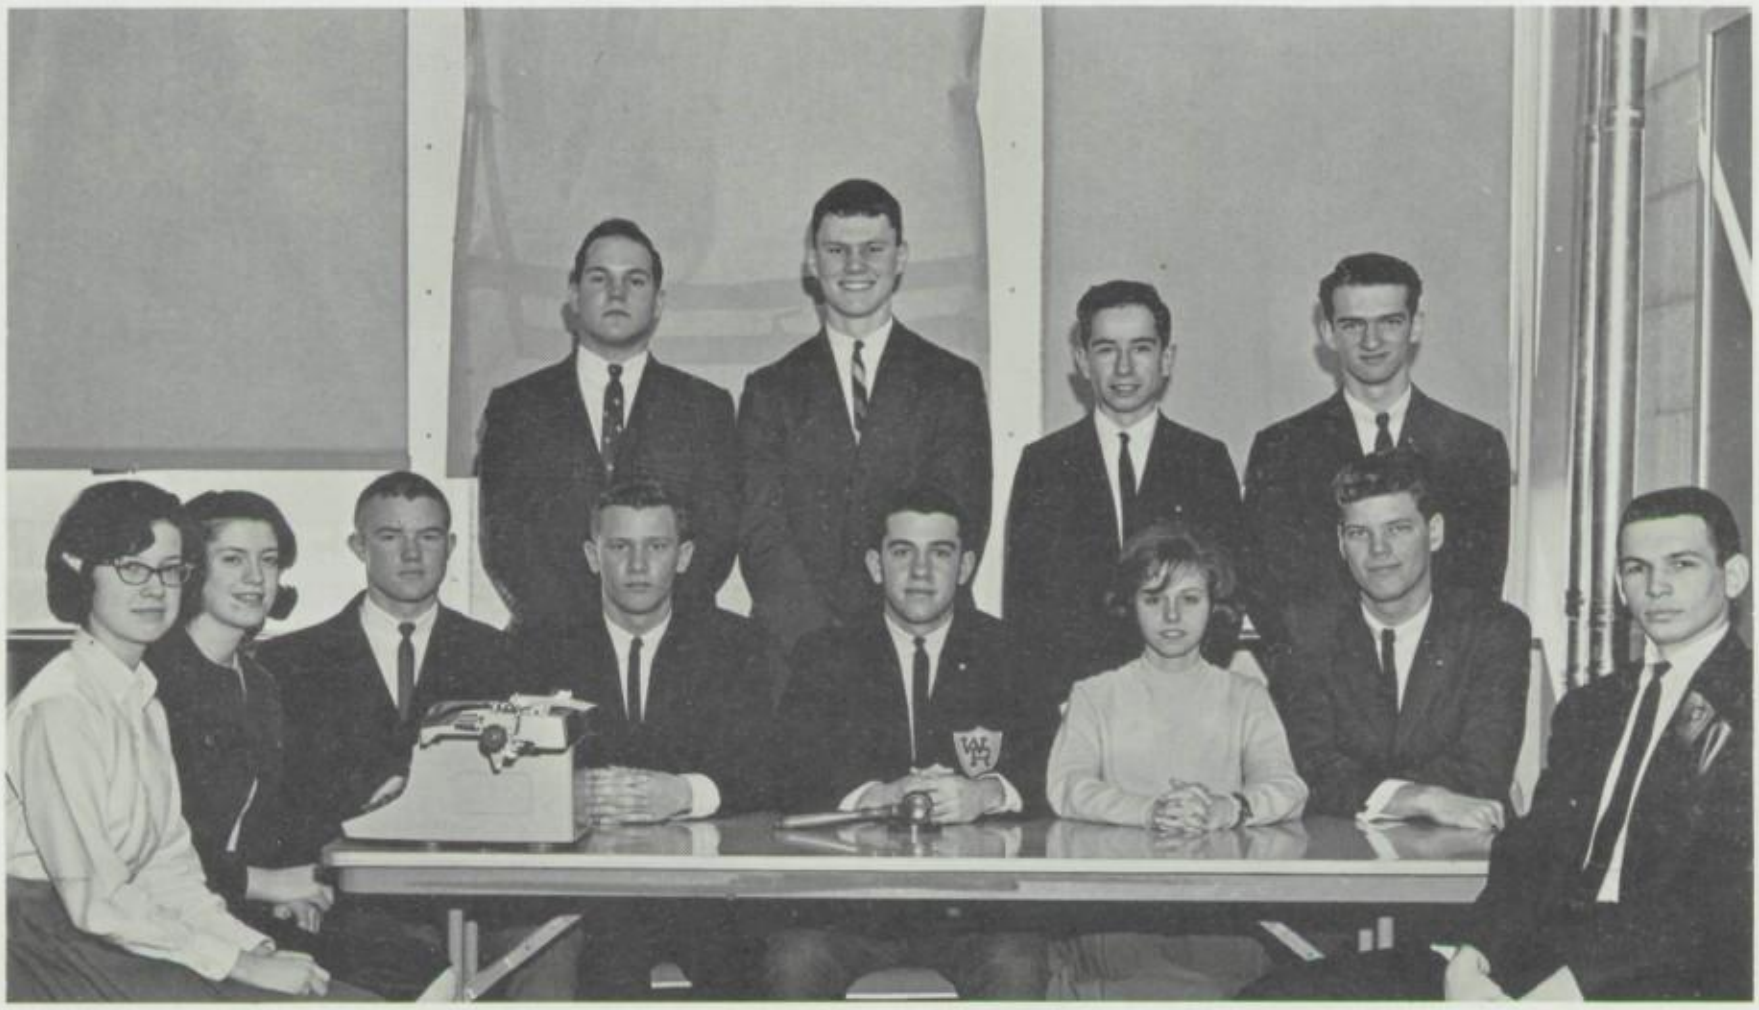
Active participation in organizations designed to make Walnut Ridge a better school and the student a better citizen adds up to service.

To qualify highly in leadership, citizenship, and service requires a person of stature and character.

Scholarship is also a quality found in members of the National Honor Society. They must have a 3.5 grade average in the ninth, tenth, eleventh, and twelvth grades. A student cannot have more than one "C" to become a member.

These twelve people are representative of the spirit of leadership, citizenship, character, service, and scholarship at Walnut Ridge.

Student Court



STANDING: Dennis Day, Ken Evans, Jack Winkelman, Mike Hickman. SEATED: Florence Little, Deidra McMillin, Jim Wallar, Ron Dawson, Cathy Dick, Jerry Mossing, Tom Coneybeer.

Here we see the Student Court in action, doing its part to help the school.

Student Court was formed so that students could be disciplined for minor offenses by their fellow students. This system has worked very efficiently at Walnut Ridge during the past year. Although the court was set up later on in the year, it was an overwhelming success. Mr. Pruitt was the advisor for Student Court. The Chief Justice was Ron Dawson; Senior Justice, Jerry Mossing; Junior Justices, Cathy Dick and Dave Feyh; Sophomore Justice, Jim Wallar.

The unseen workers at Walnut Ridge are the office helpers. They perform the many time consuming tasks. They are constantly on errands that take them from one end of the school to the other. In addition to this they assist visitors in the office and help teachers duplicate tests. They are the unobtrusive cogs that enable the wheel of school life to run smoothly and efficiently.

Library Club

James Swindler, Penny McCullough, Diane Mastenbrook, Carolyn Parsley, Kenneth Lonitz, Sandy Primmer, Laurel Mason, Nanette Halliday, Mary Bain.

The Library Club's purpose is to teach students how to use the library and to teach the skills needed to be library assistant. Meetings are on the second Wednesday of every month from 3:45 to 4:30. The dues were set at 50¢ a semester. The advisors were Mrs. Jones and Mrs. Hart.

On November 8, the club had a surprise birthday party for Mrs. Jones and On February 5, the members had another surprise party for Mrs. Hart. The Christmas party at Mrs. Hart's apartment was a big success. Inexpensive gifts were exchanged. A Valentine's party was held February 14, in the library after school.

On April 8, the officers for next year were elected. They are Sandy Primmer, president; Carolyn Parsley, vice-president; Penny McCullough, secretary-treasurer; Jim Swindler, reporter; and Diane Mastenbrook, publicity Chairman.

They also learned to mend books at their last meeting. A picnic concluded the year's activities.

Hi-Y has been set up to maintain the high standards of home, school, and community, and to reflect a Christian character in all that its members do. It has achieved this goal as is illustrated in the events of the past year. Its members helped with the gathering of baskets for the poor at Christmas time. Members also participated in City Day, a function that gives students a chance to see the workings of our city first-hand.

The final event of the year was a picnic with the Varsity "W" at Old Man's Cave.

The officers for the year were Doug Chalfant, president; Dave Walter, vice-president; Tim Hansley, secretary; and Mike Wiebusch, treasurer.

Hi-Y member Jim Grosshart crowned Ugly Man of Y-Teen dance.

Y-Teens

This year has been a very busy and exciting one for the members of Y-Teens. At their meetings much was accomplished including a racial skit, films, debates, and speakers on various topics.

Early in the year, an Ugly Man Dance was sponsored by the girls. Music was supplied by the Crestmen, and Jim Grosshart was crowned ugly man by president, Joy Crook.

At Christmas a cookie exchange took place in the student lounge.

They were all up bright and early, May 2 out knocking on doors, urging people to buy doughnuts to help support the Y-Teens of Walnut Ridge.

These girls are really hard workers, this was proven on a cold rainy morning when Y-Teen members were found out on the corners collecting money for the Easter Lily Drive. The few girls which participated collected over $300 and were second in the city.

For the final event of the year, there was a mother and daughter tea at which time installation of officers took place.

Linda Gallagher helps support her Y-Teens club by participating in their doughnut sale.

G.A.A.

Girl's Athletic Association exists to promote interest among girls in athletic activities, encourage leadership, good sportsmanship, and improve mental and physical state of its members through wholesome and fun-filled activities.

The club sponsored basketball, volleyball, softball, bowling, track, and tennis for its members. The advisors for this year are Miss McCollister and Miss Fleming.

This year s officers are: President, Debbie Simonds; Vice-President, Barbara Tracy; Secretary, Pat McHale; Treasurer, Becky Smith.

LEFT TO RIGHT: Patty Beynen, Carole Miller, Geri Walters, Marilyn Ford, Marilyn Ecklen, Barbara German, Linda Zimmerman, Sherry Peselnick displaying bowling awards.

At the beginning of the year a team of sixteen girls were picked to represent Walnut Ridge in girls' intramural basketball. The girls have been very active and are tops in sportsmanship.

G. A. A.

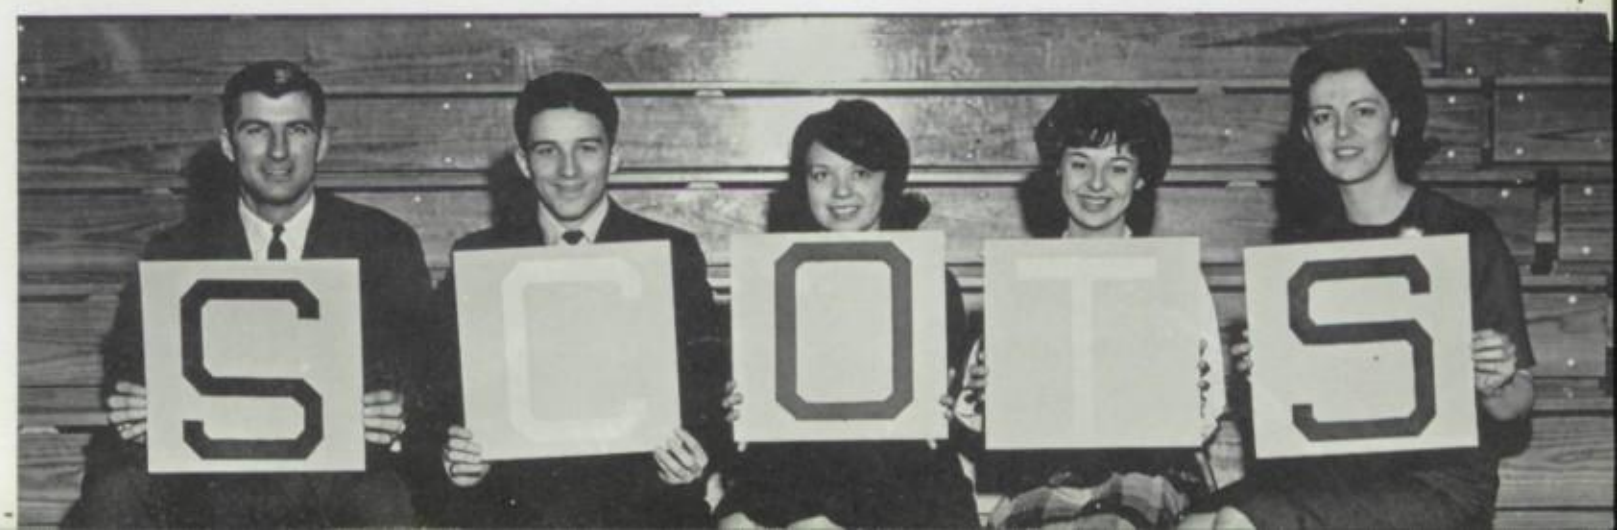
Girls' track is off to a good start. The members of the track team have really shown that track isn't just a boy's sport. The girls have practice every morning before school and have participated in several meets, some winning ribbons as a result of hard work.

Pep Club

Pep Club has fulfilled its purposes this year. It has promoted and supported school spirit by organizing a flash card section of every home game and at Eastmoor for an away game.

In addition the Club performed a hootenanny in January after school.

The officers for the year were Mike Hurwitz, President; Suzy Miller, Vice-President; Cynthia Kalles, Secretary-Treasurer; and Debby Simonds, Activities Director.



VARSITY "W"

Varsity "W" has concluded a successful year. Various activities, both service and enjoyment have been carried on. The club sold car stickers bearing the Scotty emblem. The proceeds from this sale were placed in the athletic fund. The Varsity "W" purchased and hung in the gymnasium pennants representing the various city league schools. Another money-making project was the sale of athletic "T" shirts with Walnut Ridge printed across the chest. The final activity of the year was the second annual picnic held at Old Man's Cave.

Varsity "W" Officers: Left to Right; Doug Chalfant, Dennis Day, Ron Dawson, and Jim Pyles.

Sky Diving Club

The Sky Diving Club, Mr. Clarence Rockwell, advisor, was a new organization formed at Walnut Ridge during the past year. The purpose of the club was to familiarize students with sky diving procedures, techniques, safety precautions, and jumping requirements. This was accomplished through films and speakers.

FRONT: Mary Ward, Sheila Farkas, Jerry Cloud, Bruno Sestito, James O'Day, Don Wolff, Tom Jacobs, Timmy Fannin. BACK: Bob Figley, David Paulsen, John Mulligan, Gary Dixon, Al Gospel, Mike O'Hara, Rusty Dunn, Dean Waters, Bill Smith.

Marching Band and Majorettes

BAND ATTENTION! Mike Newell, drum major brings the marching band followed by the drill team to a halt long enough for the photographer to catch a shot. The band has had a very tight schedule this year with marching at all the games, plus marching in the Columbus Day Parade. But the excitement doesn't stop here. Walnut Ridge's Marching Band was invited to play at Capital University to add to the excitement of their game with Otterbein. Yes, hard hours of work proved that a band is what you make it, and without the band much of the glory of the football games would be lost.

Drill Team

The Highland Lassies have warmed the hearts of the crowds. These girls add color to the football and basketball games and their halftime entertainment is thoroughly enjoyed by both young and old. Walnut Ridge was very proud to see their drill team participating in the Columbus Day Parade. Then the girls went on the road. First to Upper Arlington to perform at halftime, then to Capital University and yet still to usher at the Hartman Theatre. Yes, our girls have caught the eyes of those of not only the home crowds but also of those from surrounding areas. Whether it be the can-can or the bosa-nova the response of the crowds is marvellous. With response like this the girls can hardly wait till the night of the game. No matter how cold it is out on the field, the Highland Lassies really put their heart into their dancing.

The band is lined up and patiently waiting for their cue to start marching down the field and ringing out the sound of the Fight Song.

German Club

The first order of business for the German Club, now in its second year, was the election of officers. Under the direction of Mrs. Ryan, some thirty-five members elected the following people as officers: Mark Truhan, President; Cynthia Sasaki, Vice-President (after Laura Call was forced to resign due to other activities); Cheryl Early, Secretary; and Kathi Vian, Treasurer.

The members furthered their knowledge of Germany by watching films of the country. At one of the meetings Mr. McKnight showed interesting slides that he had taken while in Germany; he also had many interesting stories to relate about the people and the land.

This year the members drew up their constitution, designed a Club shield, and adopted a Club song.

In December the Club had its annual Christmas party with the French Club. In January they sponsored a junior high dance, the "Schnitzelbank Bob".

At the last meeting, the members cooked a five course German meal, New officers were installed at this meeting also.

French Club

At the first meeting of the French Club, officers were elected: Cynthia Kallos, President; Diana Pearson, Vice-President; Regina Reeder, Secretary; and Katy Hilton, Treasurer. The advisor, Mrs. Gates, and the officers planned the activities of the year. At one of the meetings Reverend Harrison shared some of his interesting and unusual experiences and slides of his tour through Europe, particularly France.

The members played familiar games like Bingo with French numbers.

At one of the meetings, the members became French Chefs and cooked the delicious Crepes Suzettes, without the brandy, of course. Mrs. Gates taught the members a French square dance. A whole meeting was spent burning up all their French energy square dancing.

Near Christmas the French Club and German Club had a combined party.

The final event of the year was a picnic at Blacklick Woods.

F.T.A.

On October 31, in observance of National Education Week, members of senior F.T.A. and other senior high students conducted classes for many of our teachers.

They held a Valentine tea for the teachers on February 12. Cookies, cake and candy were brought to supplement the tea and coffee served.

Members of the club served as guides to help wandering, confused parents at "Open House".

At the March 5th meeting Mr. Edwin Gearhart of Teacher Personnel for the Columbus Board of Education, talked about the process of selecting teachers and the requirements he felt an applicant should have.

Dramatics Club

The Dramatics Club of Walnut Ridge presented its first play this year, "Half-Pint Windom Rides West." Another was the one-act play, "Mind Over Matter" was presented later in the year.

The club sponsored a dance earlier in the year.

"Half-Pint" placed fourth in the Ohio Speech League Dramatics Contest.

The club also worked on the "Shakespeare Drama Festival".

Sallie Jane Sexton, producer of Playhouse-On-The-Green spoke to the club members and interested teachers and students May 14.

Art Club

During the year the Art Club sponsored many activities, including exchange exhibits with other high schools, the Annual Spring Art Exhibit, here in the student lounge, and this year they served as hosts at the all-city high school exhibit at the Board of Education. In the fall of the year when Mr. Kraner showed "monster" films at the noon movie, the Art Club created a "monster" to add to the movie's effect. In cooperation with Eastmoor, they had a discussion on their work with Mr. Higbee's students at Eastmoor. During football season the members created, produced, and sold pennants to promote school spirit.

8th and 9th grade girls seek broader Christian fellowship through Y-Teens activities. During the school year of 1963-64, Y-Teens members have given a Christmas party, a swimming party, and a picnic. These gay occasions were accompanied by an underlying theme or purpose; "to create, maintain, and extend throughout the home, school, and community, high standards of Christian character."

The officers of such a group are of extreme importance. President, Lynn Blair, presided over the meetings which were held twice a month. Vice-President, Connie Mitchell, was on stand-by to assist and offer advice to Lynn. Paula Hickman recorded the events of each meeting and being secretary, attended to any correspondence that was necessary. Treasurer, Patty Dell, kept accounts of dues during the course of 1963-64.

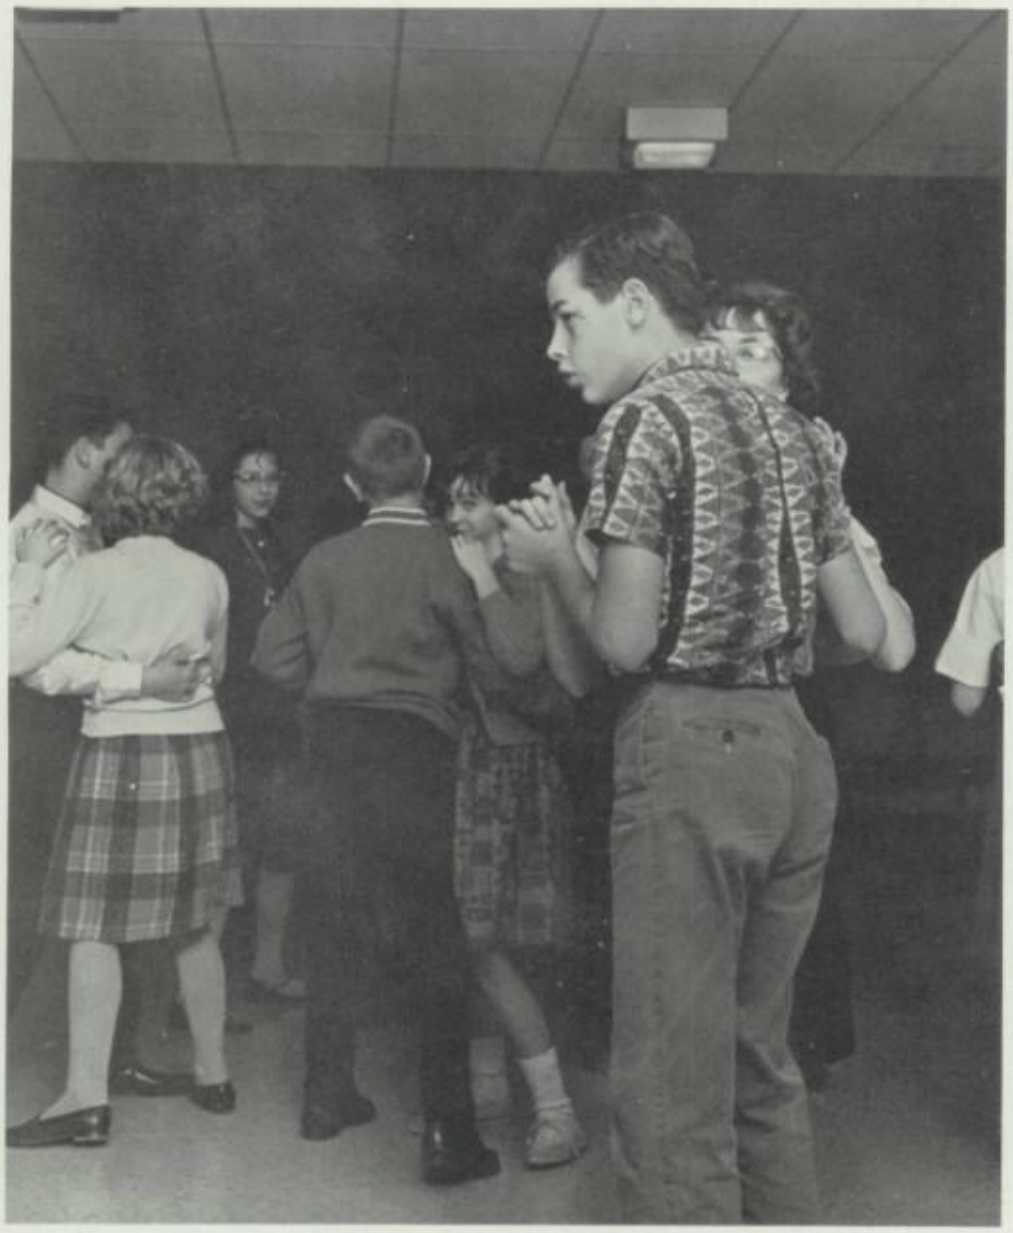
Becky Bowling, Leonard Dehayes, Kathy McVay, Judy Reeder, Dave Smith, Gary Smith, Jeff Tatman.



Social Dancing

The purpose of this club is to teach students fundamental dance steps, correct social manners, and to promote social togetherness. To become a member a student must be a seventh grader who cannot dance. The advisers this year were Mrs. Gilbert and Mr. Pruitt.

Jr. FTA

George Hivick, Mary Bain, Susan Jost, Florence Little, Doris Hicks, Suzanne Fisher, Donalee Brill, Hazel Johnston, Greg Fout.

BACK ROW: Donald Miller, Gary Spang, Jim Reynolds, Richard Swartz, Larry Inscho.
FIRST ROW: Steve Soble, Mike Neibler, Ralph Marshall, Bob Holiday, Bill Prentice.

Jr. Science

Rocket launchings, good science films, and expert and student lectures have comprised the main functions of this year's Science Club.

Two (successful?) rocket firings were carried out at Cape Walnut in an attempted space probe, under the direction of Werner Von Swartz, an enterprising freshman.

The club viewed some of Bell Lab's science films covering interesting facts about chemistry, physics, and biology. Several members of the club exhibited science projects in the school and district science fairs. High ratings were received in these fairs.

Richard Swartz and Mike Neibler, two future scientists, perform an experiment in the chemistry lab.

Jr. Hobby

BACK ROW: Walter Crandall, Marty Rhodes, Danny Masucci, Greg Jones, Bill Clark, Larry Endsco. FRONT ROW: Garry Gammage, Gary Frost.

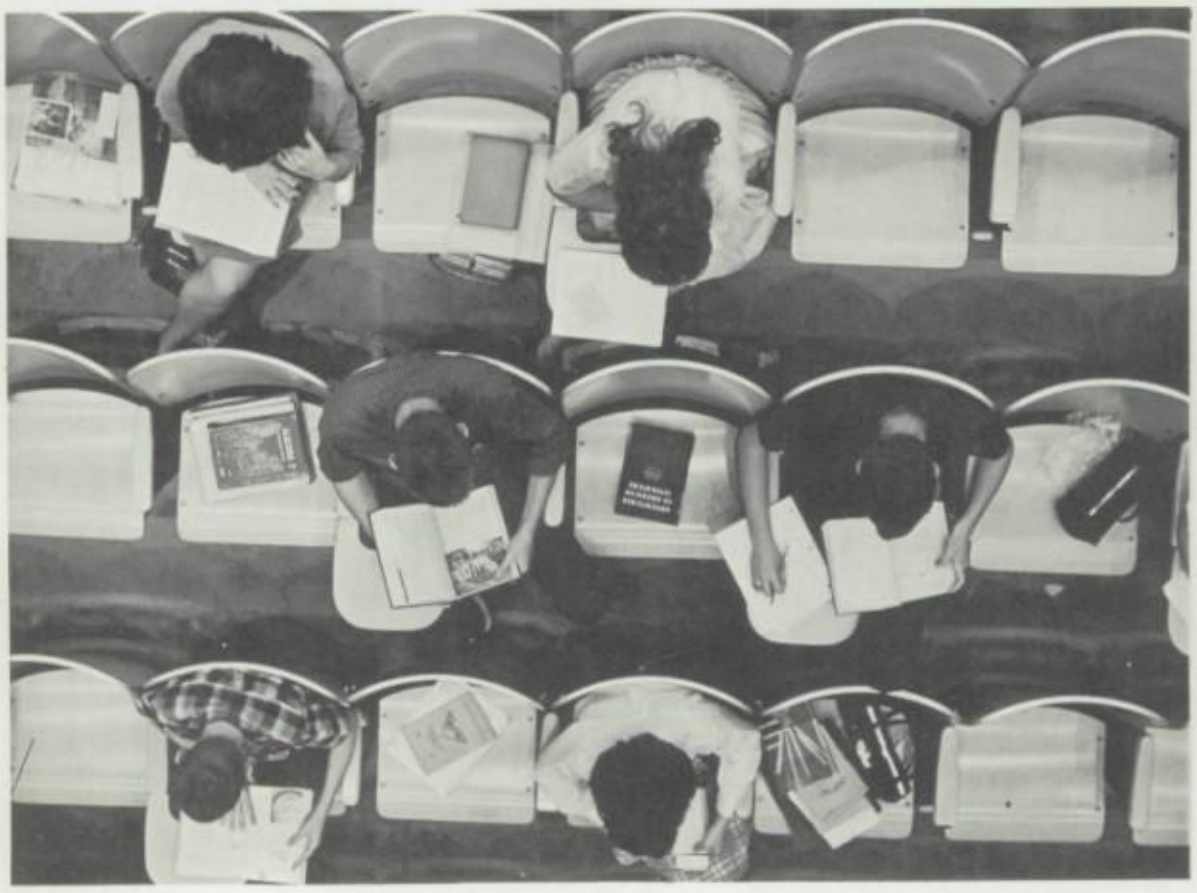
CLASSES



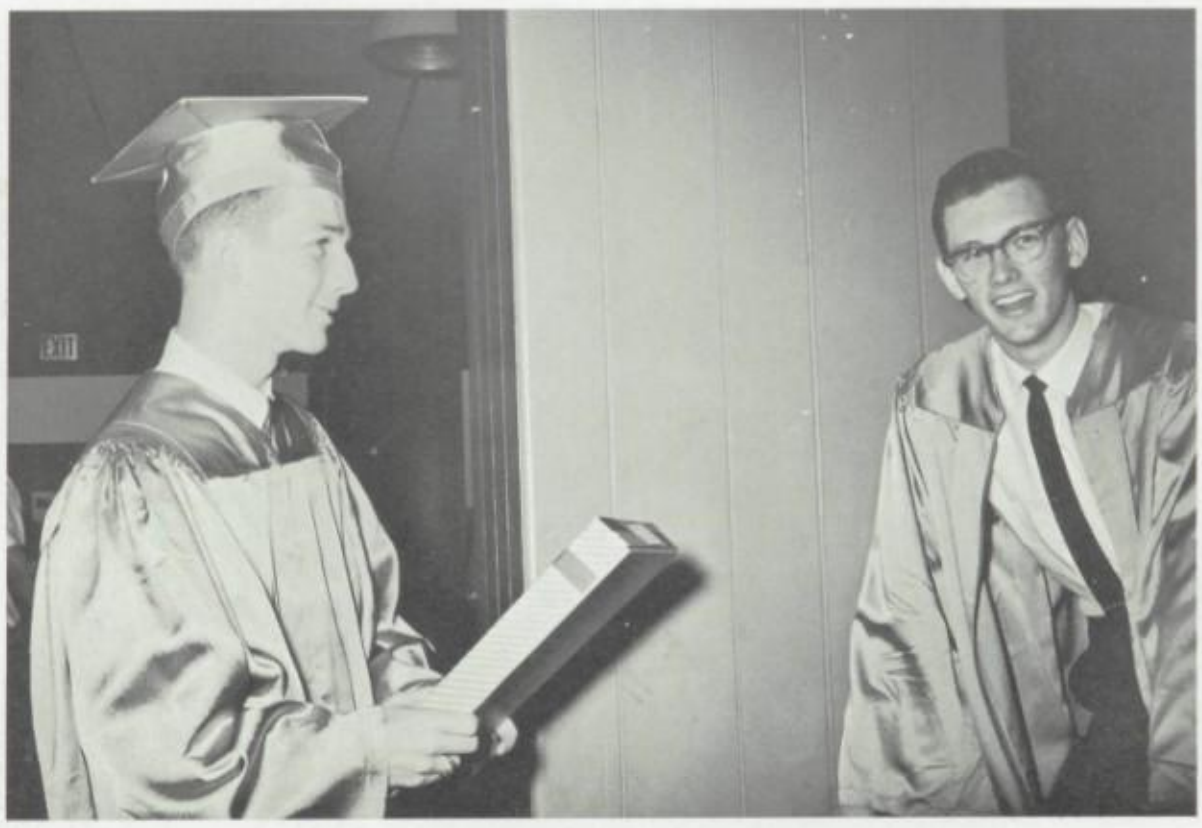
Classes present a constant strive for the eventual goal. This goal is the diploma that signifies the completion of high school. Each grade is an important phase that helps in the culmination of the final end product. Within each phase friendships are made and an education is molded within the framework of the mind. Each class is an important niche in life. A whole world is created in each grade. An effective transition is made from year to year as the student matures. This is the importance of classes.

SENIORS

The Senior Class presented their first annual Senior Class Play: "The Night of January Sixteenth". Cast, from LEFT to RIGHT, Jackie Primmer, Debbie Simmons, Mike Newell, Frank Woods, Marcia Rountree, Quentin Carpenter, Getnie Reeder, Jerry Mossing, Missy Bass, and Ted Hopkins.

Bill Share accepts money from Larry Schmidt and Cheryl Wallar for their Senior cards.

Terry Andrews, alias "Father Time", reads the last wills and testiment at the Senior Class Banquet.



John Hubbard and Karl Lau seem to find something to laugh about as they prepare to receive their diplomas.

SENIORS : PROM

The Senior Class Prom created an air of fantasy and enchantment and all who were present found it most enjoyable.

This "shipwreck" added quite a lot of atmosphere to the already outstanding decorations at the Senior Class Prom.

The Cha-Cha proved to be a popular dance at the Prom.

Randy Ford, Nancy Ebling, Jerry Mossing, and Jo Ellen Brown seem to be enjoying themselves at the Prom.

SENIOR HIGH GRADUATION

Mr. Edward N. Sloan, member of the Columbus Board of Education, and Mr. Don E. Thatcher, Principal of Walnut Ridge, present Val Nesbitt his High School diploma.

Linda Ranft shows her newly aquired diploma to her proud family.

The 1964 graduating class of Walnut Ridge makes the traditional walk from the school cafeteria to the football stadium where the graduation ceremonies are to take place.

Mike Newell, left, and Chris Lindenberg spoke to the Graduates and their families and friends on the subject "Changing Times" and "Challenge of Tomorrow", respectively.

Seniors

The last plateau has been reached and the transition from one phase of life to another is being made.

The year has held many events. A multitude of memories have been stored away. The memories of the prom, the senior banquet, baccalaureate, and graduation, stand out above the rest, but there are equally important moments of fun and excitement; the day they were measured for caps and gowns, the class meetings to plan for the big events, the time spent rehearsing for the big day(graduation). All these and many more memories are stored in the hearts and minds of the graduating class of 1964. The spirit of high school life will remain with them always.

Juniors

An exciting year is over but their thoughts are focused on the year ahead, the exciting and incomparable senior year. The junior year has been packed full of busy activities. Receiving the long awaited class rings was only one of the events that comprise the eleventh year of school. During this year students are taking a real part in high school life. Graduation is a long way from the present and the emphasis is placed on the next dance or Friday night's game. The junior year is the year of participation.

Sophomores

The sophomore year is the beginning of an exciting and full time of life, the high school years. Junior high now seems far behind and a gaze forward reveals the multitude of activities open to a high school student. Finally they are able to take part in the senior high functions; dances, assemblies, etc. Attention is placed on the "here and now" rather than the future which lies far ahead. A crowning event of the sophomore year is the ordering of class rings.

The arrival of ninth grade brings ease to the student. Now he has become accustomed to the routines of junior high school. He is familiar with his school and classmates, and is ready to take that important step into high school.

This is a year which brings graduation, commencement exercises, and awards for outstanding achievements. It is a time of happiness and pride for the student since he has completed another portion of his education.

Ninth grade is an unforgettable year. The student is able to glance backward with memories of a full year and to hopefully look ahead to his future years in high school which will always be cherished.

JUNIOR HIGH GRADUATION

The members of the Walnut Ridge Junior High School Graduating Class file into their seats in preparation for receiving their diplomas.

A member of the Graduating Class talks to his fellow students concerning their attitudes for the future.

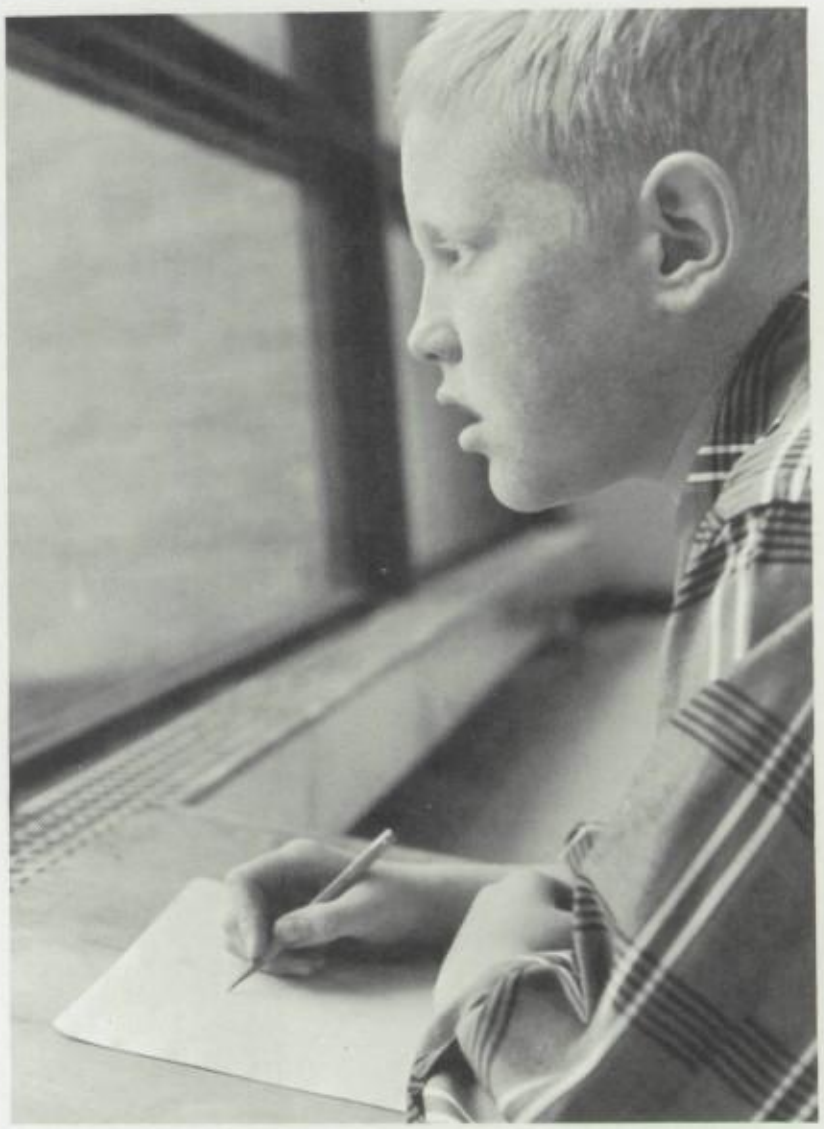
Mr. Don E. Thatcher, Principal of Walnut Ridge Jr.-Sr. High School, presents the diplomas to the graduating Junior High students.

Mr. Jerry Maxwell leads the graduation class in singing one of their choral selections.

8th Grade

During the eighth grade portion of Junior High school life, students enjoy themselves and their school. They have become accustomed to the crowd and the rush of erudite students throughout the school. Now is the time to enter the competition in sports, scholarship, leadership, and participation. As a result of their new interests and activities, eighth graders gain a great deal of school spirit and a certain loyalty to their student body.

Eighth graders are setting their goals and forming the ideas they will practice in high school.



Roger Riggs pauses to find just the right stroke to finish his drawing.

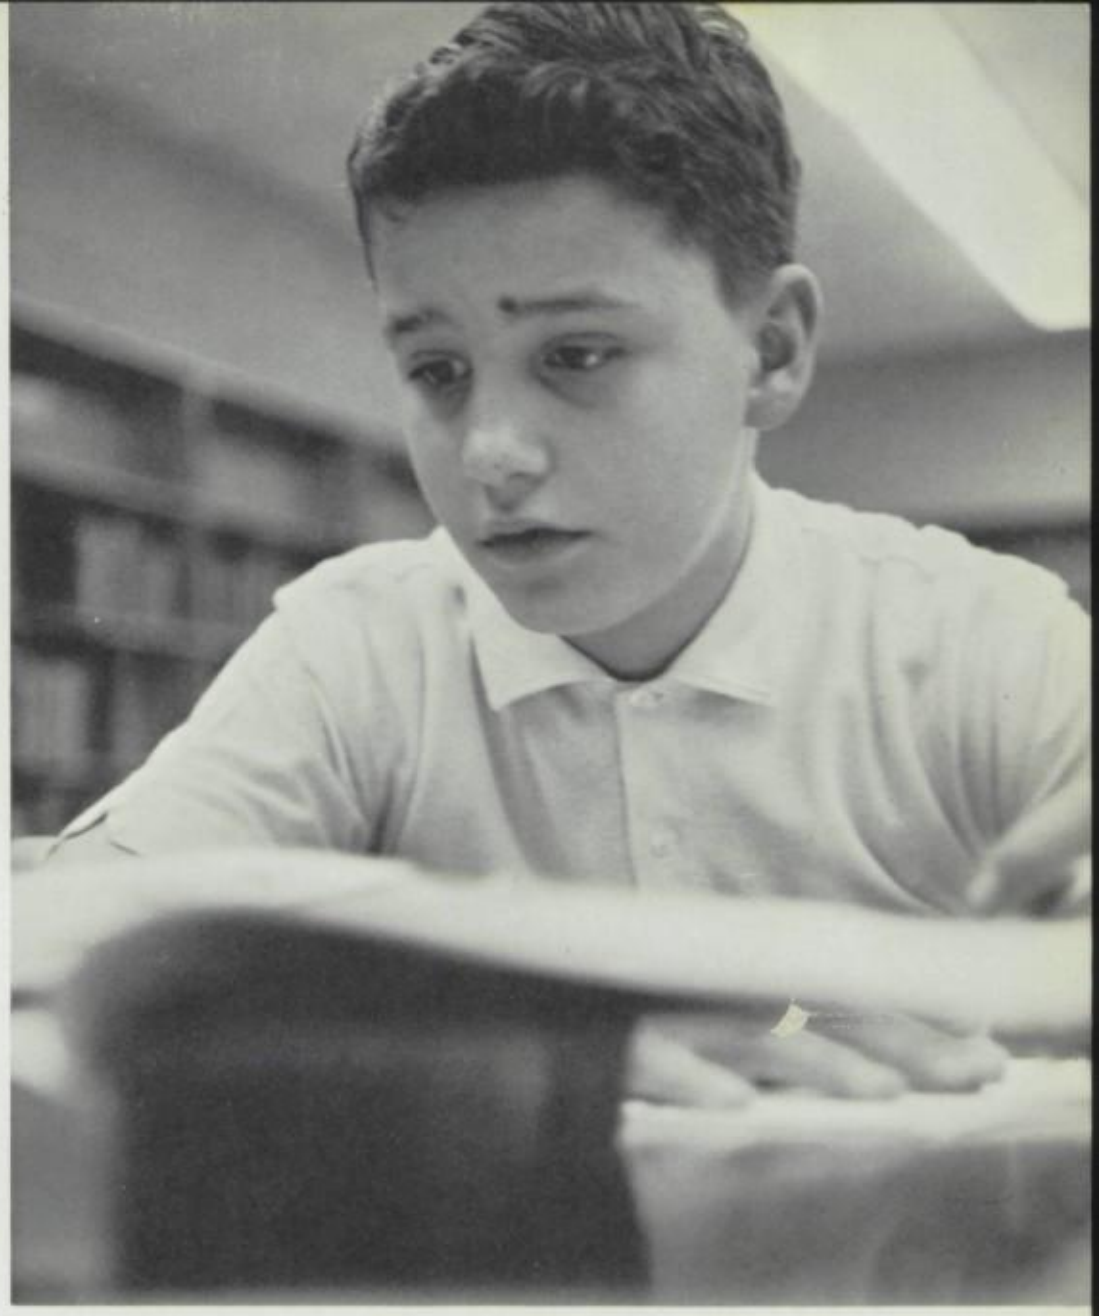
7th Grade

Seventh grade presents a vast new realm of adventure for graduates from grade school. Individual lockers replace hooks and shelves in grade school "cloak rooms". Students change classes every forty five minutes in contrast to sitting in one classroom all day. With each new class is a new teacher and new classmates.

Various clubs offer the opportunity for students to develop their personalities and participate in the activities of their choice. Leadership and sportsmanship qualities come through experience in working and socializing with other club members.

Seventh grade is a preparatory grade; an introduction to the wonderful and meaningful high school years to follow.



Plagued by a perplexing problem, Jeff Tatman ponders on the answer.

WE, of the 1964 TARTAN Staff, have tried in this yearbook to present a true picture of the spirit of Walnut Ridge. The encouragement of the administration, the patience of the faculty and the cooperation of the student body has helped produce this spirit for you.

I wish to thank Mrs. Clara R. Stone, our faculty advisor, for her long hours and hard work in this her first year of yearbook work. I also wish to show my appreciation to the editors of the different sections of the book: Laura Call, my right hand and classes editor; Larry Schwartz, sports; Suzy Miller, academics; Trudy Green, organizations; and Carol Diamond, writer.

Thanks especially to Terry Andrews, our business manager and his business advisor, Mr. Charles Stephenson. We owe our excellent photography to Joyce Studios, Irving Lloyd, and our staff photographer, Bill Bucker. I also wish to thank Mr. Paul Retrum for high time and effort in helping a new, inexperienced staff.

We hope that we have shown the spirit of Walnut Ridge and we are sure that that spirit will increase as the years go on.

Mike,
You're the most wonderful person I've ever known & I hope that will always remain the same between us. Good luck in everything you do & may the future bring happiness to you. Enjoy your senior year, study hard.
best of luck in football, & remember to study hard.
Love, Sharon

Dear Mike
We've been friends
for a long time and I hope
our friendship continues long
after graduation. You're a lot of fun
to be around, and you have one of
the most contagious laughs I've ever
heard. Whenever I think of "J. R." (Glick)
I think of you. I hope you do well
this year Mike, and may God be with
you always.
Loads of luck always,
Katie Westover RMA

To Mike
One of the greatest
guys in our senior class.
Yes, I never really got
to know you until this
past year but I've enjoyed
every moment since then.
Be good to Sharon and quit
making her pay her own way.
That's mean! Best of luck
always!
